Our Easy Ordering Process

Special note to Senior Portrait customers

We encourage you to place your print order at the same time that you make your yearbook selection. However, in the event you are not ready to place your final print order prior to your yearbook deadline date, please let us know your yearbook choice (several weeks) in advance of the deadline so we can get your photo to the school on time. Your final print order can come at a later date.

1. Pick your photos

Once you have chosen your favorite image(s), jot the image numbers down. Please use the file name/number (i.e. DTS_1234) and not the sequential number automatically assigned to your photo proof gallery).

2. List the print sizes

Next to each image number list the print sizes or products you want for each image number.

3. Send us your order information

Call or e-mail the above information to DT Studios along with any special editing requests or instructions.

4. Processing your order

Once we receive your order we begin the retouching/editing process. If you have ordered any products that require design approval prior to printing we will send a copy to you (via e-mail) for your approval prior to printing.

5. Your final invoice

When your order is ready for printing we will total your order, (apply your package discount and subtract your pre-payment amount) and send you a final invoice along with payment instructions.

6. Your order is printed and shipped

As soon as we receive your final payment, we will print and ship your order. You should receive shipment within 4-5 working days.

Reorders:

In the event you wish to reorder more prints at a later date, we will keep your portrait images in our archives (even though the proofs may not still be available for viewing online). Please call or e-mail us to request that we "re-post" the proofs from your original photo session, so they can be viewed online.

Assembled Albums

All albums feature black faux-leather covers and matte black pages with prints mounted 1/16" from page edges.

Acrylic Frame Statues

Acrylic Frame Statues feature rounded corners. Approx. 1/4" thick.

Canvas Wraps

Luster Wraps are hand-stretched with a 1 3/4" wrap depth. Ready to hang with black paper backing and all hardware.

Magnets

Acrylic Frame magnets with rounded corners (approx. 1/4" thick) or traditional.

Announcements & Invitations

These attractive announcement cards are customized with your image(s) and all of your announcement information. They come in a variety of styles and sizes along with announcement style envelopes.
